SUPERINTENDENT OF SCHOOLS

To The School Board and Citizens of Bennington:

I am happy to submit my first report as your superintendent of schools.

ORGANIZATION

School Board

Mr. Charles Lindsay, Chairman
Mr. Philip Knowles
Mrs. Doris Parker

Treasurer

Mrs. Mary K. Wilson

Nurse

Mrs. Martha Parker, R.N.

Superintendent

Norman R. Hartfiel

Teachers

Mrs. Ruth Cody, Principal, Grades 6, 7, 8
Mrs. Jessie Black, Grades 3, 4, 5
Miss Elisabeth Severance, Grades 1, 2
Mrs. Isabel Nichols, Music Supervisor

GENERAL REPORT

At the beginning of the school year Miss Elisabeth Severance started her teaching career in the first two grades of the Pierce school. She was graduated from Keene Teachers College with the class of 1954.

During the year a new spirit duplicating machine was purchased for the use of the teachers. This enables them to prepare work materials for their pupils with a small amount of time involved and improve the quality of their teaching.

Bennington is fortunate, in these days of serious teacher shortages, to have such a fine staff with Mrs. Cody as principal. Test results and high school progress is further proof of their excellent competence.

With the continued rise in the cost of education, our tuition bill will continue to be high for a few years until our former

large classes have graduated from high school and our present smaller classes enter. Bennington is unique in this situation. Most communities are deeply worried about the coming problems of increased enrollment.

It has been a real pleasure to work with the School Board, teachers, and Citizens of Bennington and I truly appreciate their fine cooperation and help.

Respectfully submitted,

NORMAN R. HARTFIEL,
Superintendent of Schools.

REPORT OF THE PRINCIPAL OF PIERCE SCHOOL

To the Superintendent, School Board and Citizens of Bennington:

In September 1954 the following number of pupils were enrolled in the different grades:

Grade 1	12
Grade 2	6
Grade 3	8
Grade 4	10
Grade 5	10
Grade 6	7
Grade 7	12
Grade 8	6
Total	<hr/> 71

The following pupils had perfect attendance during the first twenty weeks of school:

Grades 3, 4, 5: Nancy Cashion.

Grades 6, 7, 8: Roberta Knight, Edna Armstrong, Clara Newhall, Sandra Buxton, John Davy.

The attendance on the whole has been good but we continue to have some tardiness. We would like to remind the parents that the morning session begins at 8:45 and the afternoon session at 12:45. This means that the last bell is rung at these times and the children should be in their seats and ready to begin classes. We would appreciate the continued cooperation of the parents in getting their children to school on time.

Last year we changed to a new arithmetic series, "Growth in Arithmetic" published by the World Book Company. This text places emphasis upon understanding the basic concepts but it also increases computational skills by meaningful practice exercises. Our arithmetic level was found to be improved in our annual June testing program.

Our audio-visual equipment has been improved by the addition of a Viewlex film strip projector, a gift from the Bennington Women's Club. This makes it possible for us to use the film strip library from Curriculum Films which has been purchased by the school district. These educational films are excellent and are used every week. We continue to use the motion picture projector. We are obtaining some very instructive films from the N. H. University film library.

About 40 children are taking advantage of the School Milk Program. This gives each child an opportunity to purchase milk at recess for 4 cents a half pint.

We were glad to see the interest of the parents manifested by their attendance at our Education Night in November. We wish it were possible for more parents to visit the actual sessions of school so that they might see for themselves what is being done.

We would like to express our appreciation to the Superintendent, School Board, parents and townspeople for their splendid cooperation with the school.

Respectfully,
Ruth Cody, Principal.
